Our spa

Our Recovery Spa is a serene oasis dedicated to enhancing your overall wellness and providing a transformative experience for your body and mind.

Enjoy our self-guided hot & cold therapy experience, featuring access to our traditional Temazcal, cold plunges, and sun beds. Move at your own pace as you experience the benefits of heat, cold, and relaxation in a peaceful setting.

A simple, restorative wellness experience designed to leave you feeling refreshed and renewed.

Hot & Cold Therapy

A temazcal is a traditional Mayan steam bath. The experience of a temazcal is aiming to promote physical, emotional, and spiritual well-being. The intense heat is believed to promote relaxation, improve circulation, and provide respiratory benefits.

A cold plunge, on the other hand, involves immersing the body in cold water. Cold exposure can be used as a recovery tool after intense physical activity, it can boost the immune system, increase circulation, and improve mood and mental clarity.

Our café

Donya’s Garden Café is a peaceful oasis where hotel guests and café visitors can enjoy delicious food and drinks surrounded by lush greenery and the tranquil beauty of Antigua. With a warm, relaxed atmosphere, it’s the perfect place to start your morning with breakfast and local Guatemalan coffee, enjoy a leisurely meal, or simply slow down and unwind.

Our menu is thoughtfully prepared using fresh, locally sourced ingredients whenever possible, with a focus on simple, flavorful dishes and beautifully crafted drinks.

The Garden Café also provides a beautiful setting for special gatherings and celebrations, including welcome dinners, birthdays, farewell brunches, retreats, and private events. Our in-house catering team works closely with you to create customized menus and provide delicious food and attentive service, allowing you to enjoy your event in the peaceful surroundings of our garden.
